Our Library hours are
Monday, Tuesday, Wednesday, and Friday from 10:00 AM to 4:00 PM and Thursdays 1:00 PM to 9:00 PM.

Welcome to the Sacramento FamilySearch Library. Discover tips, tools and services to help you gather and connect your family from the past, to the present, and on to the future. Explore your options, register for classes, schedule events, and feel free to ask for help. Since this site's address is so long, we have a TINYURL for it that you can use. Unfortunately, you will have to copy and paste this into a browser rather than just click to test it since the familysearch wiki doesn't allow links to tinyurls. <https://tinyurl.com/3mst659m>

Creating a free FamilySearch account is easy and fun.

We will show you how to include stories, photos, documents and audio in your family tree. Family history is much more than dates and times; it is recording your stories, your oral family history and your memories.
