Library Help

RESEARCH HELP

Need help with research? Ask someone with a **BLUE** lanyard.

OTHER HELP

Need help with books, microfilm, or printing? Ask someone with a **RED** lanyard.

INFORMATION DESK

Get your questions answered, or find additional research specialists to help.

Level 1—Getting Started

(MAIN FLOOR)

1. Scanning Area

Use free photo and book scanning equipment to make digital copies of pictures and documents.

2. Kids Center

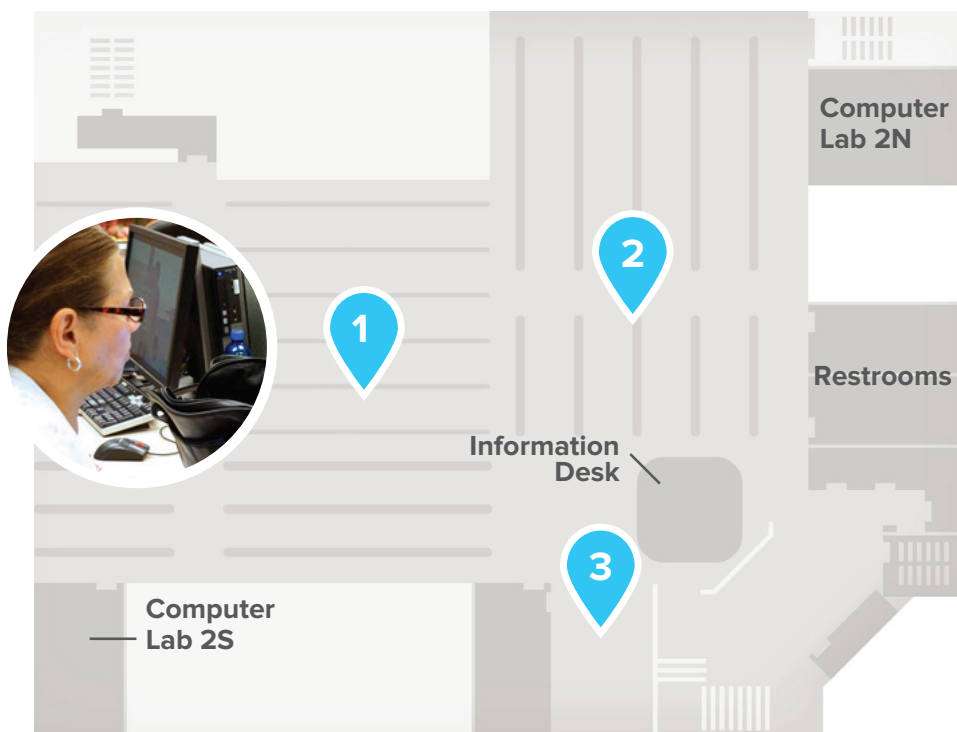

Watch your children in the play area as they color or play with toys. (Do not leave children unattended.)

3. Photo Op

Take a commemorative photograph of yourself in a vintage picture.

Level 2—United States and Canada Films

(UPSTAIRS)

1. Microfilm

The tall metal cabinets contain microfilm. Use the FamilySearch Catalog to locate the correct microfilm. Please ask Library Staff for assistance.

2. Guest Computers

The library has 550 computers available for guest use, including access to genealogical subscription websites for free.

3. Microfilm Copy Center

Copy images from microfilm by printing them or saving them to a flash drive.

Level 3—United States and Canada Books

(UPSTAIRS)

1. US and Canada Map Collection

Check out our excellent US and Canada collection of historical maps. Note the state names listed on the front of the cabinets.

2. US and Canada Book Collection

With over 600,000 books and serials in the Library, ask one of our staff to learn how to determine the call number, row, and section number for your state and county.

Level B1—International Floor

(BASEMENT)

- 1. International Book Collection**
Browse books from countries in Europe, Scandinavia, Asia, and Spanish-speaking countries.
- 2. International Displays**
View items from different countries in the various display cases.

Level B2—British Floor

(BASEMENT)

- 1. British Books Collection**
Browse our book collections from the British Isles, Ireland, New Zealand, and Australia.
- 2. British Map Collection**
Visit this area to view large maps for the British Isles.
- 3. Family Tree Escalation**
This support team can help resolve advanced Family Tree issues. Ask about their hours and availability.
- 4. British Displays**
View items from the British Isles, Ireland, or Australia in the various display cases.

Close to Home Resources

HISTORICAL RECORDS ONLINE

Over a billion digital images or records from around the world are available for free on FamilySearch.org. With an account, you will have access to more digital copies of historical records. Setting up an account takes only a few minutes. On FamilySearch.org, click on **Free Account** to get started.

CAPTURING YOUR STORY

Collect and add stories (and pictures) about yourself, your parents, grandparents, and siblings to share with your family using the *My Family: Stories That Bring Us Together* booklet or online with a FamilySearch account.

ONLINE LIBRARY CLASSES

The Family History Library classes, taught on site, can also be viewed as webinars online at home.

Learn more at https://familysearch.org/learn/wiki/en/Family_History_Library.

FAMILY HISTORY CENTERS

With over 4,700 centers worldwide, there may be one near you. These centers offer access to subscription websites and research assistance, and they have resources to order microfilm. To find your family history center, go to <https://familysearch.org/ask/help#localResource>, and then type in the name of your city.
