

Using Archion for German Research

Germany “How to” Guide, Beginner Level

August 2024

1. Use the “Browse” feature to answer the following questions:

In the “Archiv der Evangelischen Landeskirche Anhalt”, which districts have digitized records?	
In the Landesarchiv Speyer”, find the parish of Freckenfeld. What years are available for baptisms? List the earliest and latest years.	
How many church districts in the Evangelish-lutherischen Hannover archive have digital images	
Does the Evangelisches Zentralarchiv Berlin have digitized records for Kreis Habelschwerdt in Schlesien?	
Are the church districts in Bavaria called “Kirchenkreis” or “Dekanat”?	

2. Use the “Search” feature to answer the following questions:

How many parishes named “Neudorf” are listed in Archion?	
There are two towns named Obermichelbach located in Bavaria (Bayern). What are the church districts where the records are found?	
Of the two towns named Obermichelbach, you know that yours is located near the town of Veitsbronn. Which Obermichelbach would you check first?	
When do the first digitized records begin for the parish of Tschrima? There is only one town named Tschrima.	

3. Search for the parish of Dippach.
Which book/volume contains baptisms for 1850?
On which image is the baptism record of Eva Elisabetha Oswald found? She was born on 10 August 1850.
Where does Eva Elisabetha fall in the birth order?
