# Contractor: Oral Genealogy Mobile App Install

This is to be installed on every mobile phone before given to interviewers.

Note: Each contractor must set up a Gmail account specifically for the FamilySearch Oral Genealogies app. Send a request to bryce.jacobson@familysearch.org from that Gmail account to get rights to access the app.
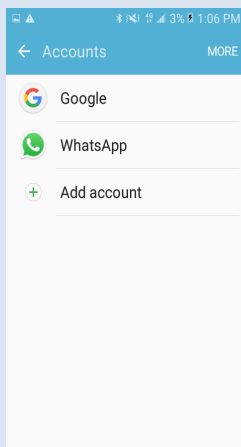

1. Assign only 1 Gmail to the phone. Go to Settings
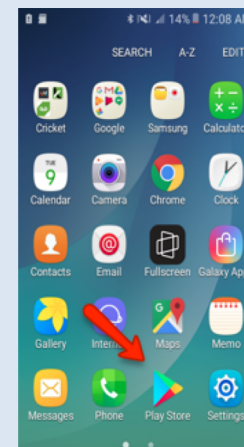

2. Under [Personal], tap [Accounts]

3. Tap [Google]

4. Make sure the account created for the mobile app is the only one

You are now ready to install the FamilySearch Oral Genealogies mobile app
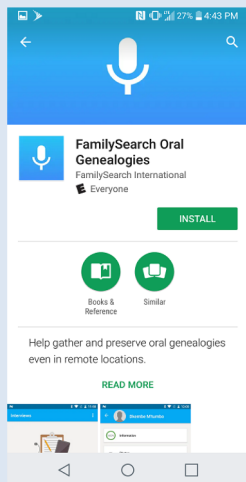

1. Open the Google [Play Store]

2. Download the Oral Gen App from the Android Play Store

* Obtain the 4-character "Contractor ID" from your Operations Manager.
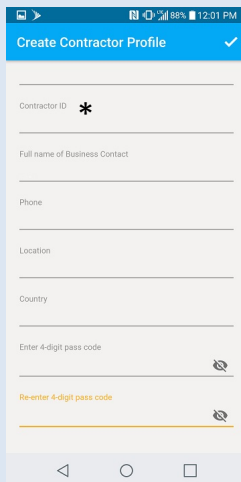

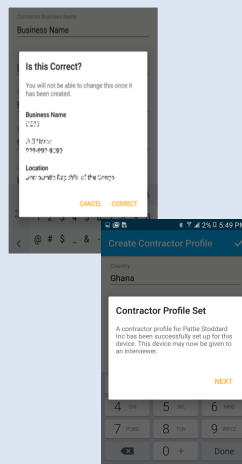

3. Tap [Install]

4. Tap [Create Contractor Profile]

5. Create Profile with Correct Contractor ID*, then tap [✓]

6. Verify input and tap [Correct], then tap [Next]

7. Tap [Allow Access]

8. Tap [Allow] to location, audio, media, take pictures

9. Your mobile device is ready to give to an interviewer
