

# ***Digitalarkivet: Church Records***

## Norway “How to” Guide, Beginner Level: Activity

November 2015

1. Locate Moss parish in Østfold County on *Digitalarkivet* and answer the following questions:

|                                                                                                                                         |  |
|-----------------------------------------------------------------------------------------------------------------------------------------|--|
| Moss city was split into two parishes. Name the two.<br>Hint: The parishes will be listed as “Moss / ...”                               |  |
| In what year did the two parishes start their separate records?                                                                         |  |
| Locate the 1861 death and burial records. Anton Nicolai died 19 March 1861. What is his entry number, and on what page can he be found? |  |

2. Bergen is a large city in Norway and has numerous churches within its boundaries. Locate the city of Bergen on *Digitalarkivet* and answer the following questions:

|                                                                   |  |
|-------------------------------------------------------------------|--|
| When did the earliest church records start for Korskirken church? |  |
| When did the earliest church records start for St. Olav church?   |  |
